Apri Fool's at the Kamiyas

> <meta name="Generator"> " He he he â€| **

Disclaimerâ€| : I do not own Digimon or anything like soâ€| I just
wrigt fics about e'm ^_^ â€|

This takes place about a few years after the hole Digimon incedentâ€|
I originally tryed to let them stay the same age that they are now,
but as I wrote further in the fic, they seemed a little out of
character (Not reallyâ€| More less that they bolth seemed to be a
little more matureâ€| Or in other wordsâ€| They were arguing the way
a me and my sisters would ^_^â€|)

** **

How it all started â€|

**

" He he he â€|. Allmost done !!! " said a voice. Threw the shadows, a
person, most likely to be a kid, was scrolling around in Tai's room.
At first, you couldn't make out who it was, but after hearing that
voiceâ€| It was clear that it was Kari. " Okay, now Tai is gonna wake
up with a BIG surprise !!! " She tip-toed out of the room and headed
off for bed.

That morning, everyone was sleeping peacefully in the morning ray's.
Even Tai. He clutched his body pillow and snoozed, not to mention
drulling in his sleep. *** I'm gonna get kicked for that oneâ€| I
know it ^_^ *** â€|. Well, all in all, he was having a nice napâ€|
That is, Untillâ€| His Clock Radio went off in the crullest possible
way ever

~~ So Tell Me What You Want, What You Really Really Want, â€|â€|I'll Tell You What I Want, What I Really Really Want â€|â€| I wanna, I wanna, I wanna, I wanna â€| I really really really wanna Jiga Jig, ahhhh !!!!! ~~

This horrific music played on at Full Blastâ€|.

This sent Tai falling out of his bed in a surprised panick. To make things worse, he was sleeping on the top bunk of the Bunk Bedâ€| As soon as he crashed to the ground, he sprung rigt towards the Clock Radio to turn off the racketâ€| " Oohh Fudg-it !!! Which button's wich ??? " He shouted as he was still in a panickâ€| Without thinking, he pulled out the plug from the Radioâ€|

He then collapsed to the ground, rubbing his head, thinking " Who would want to torture me that way " he thaugt as a chilling shiver crawled down his spine. He was totally stumped on the subject, since Nobody listens to the Spice Girls anymoreâ€| He twiched his face as the song was still replaying in his head, over and over and over againâ€| Well, now that he's up, he'd migt as well get dressed for the day.

As he struggled to slide on his shirt , he ended up tripping on one of his old " Hot Weel's " cars, that he never looks at anymore, but is still dragging on the flor of his messy room, and clonked his head on his dresserâ€| This ended up sending a pile of junk all over his headâ€| He mannaged to pull his head threw the collar of his shirt and sighedâ€| " Boy !!! This just isn't my day !!! " â€| Then, he started shoving the junk off of him. But one of the objects caught his eye. It was his callenderâ€| " Ooh My God !!! Today is April Fools !!! " He shouted in shock â€| Then he frowned his eyes and muttered " Kariâ€|. Why that little â€| "

Back in Kari's room, she was still sleeping, despite all the racket that Tai had made, she was in a deeper sleep than erlyer. Tai silently slid into her room, holding a rubber spider with big green evil eyes ^_^ â€| He carefully helled the rudder spider to dangle in front of her face as he gently started to wisper in her ear " Waik-ey Waik-ey !!! ". Kari opended her eyes verry groogily and the first thing she saw was the spider (wich at the time, didn't know it was a fake one) and she screemed to the top of her lungs.

" Aaaaahhhhhh !!!!!â€| Kill itâ€| Kill it !!! " she shouted. Tai threw a smirk and proudly muttered " April Fool's !!! ". Kari stoped for a second and nodiced Tai, who was holding a rubber spider he had gotted at halloween. She threw her pillow at his head and snarled and said " Oohh !!! So you got my surprise this morning, didn't you !?! ". Tai rose his eyebrows and replied with a grin " ~~ I'll Tell You What I Wan't, What I Really, Really Wan't ~~ â€| Ummmm, Yeahâ€| No Duhh !!!â€| Now that stupid song will be stuck in my head for daysâ€| But I suppose its better than to be scared of rubber spiders â€| ". " Get out of my room !!! " Kari ordered as she pointed her index finger towards the door.

Tai was walking out, all proud of himself, when all of a sudden, Kari exclaimed " Watch your stepâ€| I think Meeko killed an other mouse last nigt !!! " Tai jumped up startled, and quickly scanned the floor with his eyes. " Hey, wait a minuteâ€| Meeko never kill's any miceâ€| That cat is just too laisy !!! " He protested. Then Kari blurted out

in giggles " April Fool's !!! ". Tai sarcastically threw a smile of defeat and walked out the room as Kari laughed at her brother.

**

Later that morning â€¦

**

At the table, Tai and Kari were eating their breakfast. Their Mom was still in bed (amazing, isn't it ^_^) and their Dad was off to work.

" So Hikariâ€¦ Errrâ€¦ I mean Kariâ€¦ Where did you get the tape of the Spice Girls from ??? " Tai asked his little sister, purposely calling her by her full name in order to annoy her. " Well Taichi-chanâ€¦ Errrâ€¦ I mean Taiâ€¦ That's for me to know and you to find outâ€¦ And if you call me Hikari again, your gonna live to regret it !!! " Kari responded as she made sure that she called Tai by his name that just totally irritates him * Taichi-chan *. Tai gritted his teeth when he heard what she had just called him and replied " Well, Mi-Hikari, I'm not gonna rest until I find out where you got it fromâ€¦ Oohh !!! And you don't scare me, little sister of mine ". " Don't you know the rulesâ€¦ Never hit a womanâ€¦ " Kari continued, as she knew she had the upper hand and she was loving every minute of it. Tai snarled his teeth towards Kari, and proceeded to dump his plate in the sink.

When Kari was done her breakfast, she walked into the Living Room but to see Tai struggling to open a can of Planters Nuts (Yummy * LOL *). " Tai, what are you doing ??? " She asked as her curiosity got the better of her. " I'm trying to open the containerâ€¦ What's it look like !?! " Tai exclaimed, struggling with the blue labeled can. " Here, let me tryâ€¦ Besides, your probably turning it the wrong way !!! " She offered. Tai handed her the can of nuts with a sigh. Kari struggled to open it, but when it didâ€¦ SURPRISEâ€¦ a bunch of springy snakes flew outâ€¦ " Waaaaahhhhhh !!!! " Kari screeched for she did not expect that to happen at all (She must be dense if she didn't see it coming * LOL *). Tai was rolling on the floor, laughing hysterically out loud, as he said between gaspsâ€¦ " Ha Ha Ha Haâ€¦ Gawdâ€¦ You fell for that old trick â€¦ Goodness Gracious Girl â€¦ Your too much !!! ". Kari shrugged her shoulder with a light blush, then walked out of the room to call T.K. â€¦ She thought that maybe he could come to her rescue.

~*~ Riiiiiiiiingâ€¦ Riiiiiiiiing â€¦ ~*~ Went the telephone. " Y'hello !!! " T.K. answered. " Hello, is T.K. there ??? " Kari asked. " Yeah, speaking !!! " He continued. " Ooh, thank Godâ€¦ I need your helpâ€¦ I need to come up with some good pranks to pull on Taiâ€¦ He's winning !!! " Kari explained. " Didn't operation ~ Spice Girls ~ work ??? " He asked, holding back laughter. " Yeah, but he faught back with a rubber spider with big green evil eyes â€¦ " She rambled. " What ?!?!?! " T.K. asked, obviously confused. " Look, it's a long storyâ€¦ Why don't you come over and we can come up with a plan. " Kari suggested. " Be right over !!! " T.K. happily exclaimed. " Okay !!! Bye Byeâ€¦ See you then " Kari greeted. " Yeah, see ya !!! " T.K. said as he hung up the phone.

**

When T.K. arrives â€¦

**

The door knocked as Kari raced to open it. " What's all the excitement about ??? " Tai asked his sister. Kari just ignored him as she politely greeted T.K. to come in. Tai grinned as he noticed T.K. walk into the house. " Ooh, I see " he smiled.

Tai decided to go and welcome the visit, but they were already playing on the Nintendo. Since T.K. wasn't allowed into Kari's room (Parents ordersâ€¦ they sure don't trust ya, now don't they ^_^) they had to improvise. Tai smiled as he said " Hey, T.K. !!! How ya been ??? " T.K. waved and simply said " Pretty goodâ€¦ ". He was too caught up in the game to pay too much attention to Tai. Tai smiled and walked out of the room.

" Hah Hah â€¦ I'm beating you " Kari exclaimed with a sheer grin. " Are not !!! Take that â€¦ Now, who has the upper hand " T.K. shouted. " You will never beat meâ€¦ Takeru â€¦ " Kari playfully fought back. T.K.'s mouth hung open while he pushed the pause button. " The name is T.K. " he said with a smirk. " Ooh really ??? " Kari said as a come back. T.K. pounced on Kari as they both wrestled on the floor. " Hikariâ€¦ Hikariâ€¦ Hikariâ€¦ " T.K. evilly yet playfully shouted. " Takeruâ€¦ Takeruâ€¦ Takeruâ€¦ " Kari continued in the same tone.

They were interrupted by Tai and Kari's mother (Lets just call her Mrs Kamiya), who said " Now Now childrenâ€¦ I'll be gone for a few hoursâ€¦ You'd better be good " with a cheerful smile. " We will !!! " Kari innocently said, getting up from the floor and brushing herself off. " I'll be here anyway's Mom â€¦ " Tai reminded his mother. " I gotta goâ€¦ Now you kids be good !!! ". Mrs Kamiya said as she rushed out the door. All three kids waved as she pulled out of the driveway in her car.

Tai leaned against the wall, T.K. sat on the floor and Kari flopped herself on the couch. As she landed on the couch, there was a shocking sound â€¦ ~*~ Big farting sound ~*~ (How am I supposed to write a farting sound â€¦ You tell me * LOL *) â€¦ Kari quickly jumped up from her seat as T.K. stared at her in pure shockâ€¦ Kari blushed a very deep shade of red, then, proceeded to check under the cushion. As she did so, she pulled out this object.

" A Woopy-Cushion !!! " T.K. shouted. Tai, who was laughing in the background, managed to sayâ€¦ " Haw Haw Haw â€¦. So that's where I put that thingâ€¦ " Kari glared at Tai and muttered " Oooooohhhh !!! Your in for it now â€¦ ". Tai stuck out his tongue and proudly walked out of the room as T.K. chuckled a little. " We gotta get him backâ€¦ But how !?! " Kari asked in frustration. T.K., who was trying ever so hard to keep himself from laughing, seemingly replied. " I think I may have a planâ€¦ ". " Ooh, Do tell !!! " Kari mockingly replied. " Would you happen to know who Tai might just happen to likeâ€¦ " He asked. " I have an Idea, but he never lets onâ€¦ So I'm not sureâ€¦ " Kari admitted. " Well, here's your chance to prove yourself if your right or wrongâ€¦ So here's what you need to do â€¦ " T.K. then whispered the plan in Kari's earâ€¦

**

The prank in progress â€¦

**

Well, T.K. had to leave, sadly, because Matt decided to treat him to an Ice Cream on the occasion of it being April Fool'sâ€¦ But that didn't stop Kari from ~ The Battle Of The Pranks ~ towards her brother. The prank T.K. had suggested was just good enoughâ€¦ And if all went to plan, she would find out who, as my friends would say, Tai Had The Hots For ^_^ â€¦

So Kari simply walked up to the phone, right in front of Tai, and saidâ€¦ " That was a nice one you pulled on me back there with the Woopy-Coushinâ€¦ " with a grin. Tai quickly got up and curiously stared at Kari's guilty face. " Okayâ€¦ What do you wantâ€¦ " he asked. " Have you told Sora how you feel about her !?! " Kari devilishly asked, revealing a big part of her plan. Tai's eyes grew wide as he nervously gulped, cause his throat had gotten dry all of a sudden. " How did you know that ??? " he asked. " Lucky guess â€¦ " She shot back as she placed her hand on the receiver of the telephone. " You wouldn't â€¦ " he muttered by the pit of his throat. " Try me !!! " She said with a grin while dialing in some numbers.

Tai stood there motionless, cause he didn't know what to do since he was still in shock. " Helloâ€¦ Mrs Takenouchi, This is Hikari, Tai's little sisterâ€¦ but you can just call me Kariâ€¦ I would like to know if my sister in law, Sora Kamiya would be thereâ€¦ " Kari said, talking to the phone while raising her Eyebrows at Tai.

Tai knew he was blushing pretty badly, and he just hated it. " Okay now Kariâ€¦ That's enoughâ€¦ " he muttered under his breath, just loud enough for Kari to hear. Kari smirked while she knew she had the upper hand againâ€¦ And It Felt Good â€¦ " Ahh, Yeahâ€¦ Sora !!! I just wanted to let you know that Tai Loooooooooves you Sooooooooo muchâ€¦ He had a crush on you for the longest time andâ€¦ " Kari continued, but was cut off by a flying sneaker that Tai threw at her. " THAT'S ENOUGH KARI !!!!! " Tai shouted as he could take no more. " Gotta Go !!! " Kari quickly said as she dropped the phone and started running away as fast as she could while laughing uncontrollably.

Tai rushed to pick up the receiver, which had dropped on the floor, and sheepishly pleaded. " Hey Soraâ€¦ That was just Kariâ€¦ Ignore herâ€¦ " But he came to realise that Sora wasn't on the phoneâ€¦ In fact, the phone was dialed to the Weather Report Phone Lineâ€¦ Tai sighed in relief and hung up the phone, then shoutedâ€¦ " Kariâ€¦ You are Sooooooooo Dead !!! ". " April Fool's " Kari shouted with an amused smile from across the other side of the room. Tai started to chase her around the house as Kari ran while giggling.

They were, however, interrupted by Mrs Kamiya, who had just returned from the errands she had to run. " What's going on here !?!?! " She firmly asked. Both Tai and Kari came to a screeching halt and stood there, just staring at their mother, who didn't seem to be too pleased. " She started itâ€¦ " Tai threw in. " Yeah well he put a Woopy-Coushin in the couch while T.K. was here " Kari defended herself. " Yeah well sheâ€¦ " Tai hesitated at that last comment which he didn't want his mother to know about him liking a certain person. Mrs Kamiya rolled her eyes and sighed. " When will you two

ever learnâ€¦ " "

**

Later that night â€¦

**

Tai and Kari were outside, looking at the stars. (Let me add, they were kicked out of the house for a while because their constant Pranking and Sarcastic Remarks were getting out-a-hand. ^_^).

" Gee Kariâ€¦ " Tai said, breaking the silence " Your getting good at thisâ€¦ This year, it was a tieâ€¦ Next year, you might even beat me !!! ". " Well, I learned from the bestâ€¦ With a little help from T.K., that is " Kari smiled as she replied. " I wonder if Mom will lose her marbles Next year â€¦ " Tai addedâ€¦ " Probablyâ€¦ " Kari answered. " Well, that was a clever one you had pulled on me this morningâ€¦ With theâ€¦ Spice Girlsâ€¦ (he shuddered when he mentioned the group) â€¦ But I still don't know where you got the tape fromâ€¦ " Tai said. " Like I saidâ€¦ It's for me to know, and for you to find outâ€¦ " Kari defended. " And the whole Woopy-Cousin thingâ€¦ That was nasty " she continued. " Yeah, well Sora had won it for me at the fair, since I couldn't throw the dart on that stupid red balloonâ€¦ " he said with a light blush of shame ^_^ â€¦ Kari simply rose an Eye-Brow. " But that's another story â€¦ " he continued at his turn.

Kari extended her arm towards Tai, offering a nice, hard hand shake. Tai accepted and replied. " Same time next year ?!?!? ". " Ooh Yeahâ€¦ It's all good !!! " Kari answered with the nice smile and dimples we all grew to love. " And the one you pulled on me with the telephoneâ€¦ Errrrrâ€¦ Never do that again " Tai nervously ordered. Kari smiled. " It's okayâ€¦ Your secret's safeâ€¦ You can trust me " Kari reassured. Tai smiled as he reached his hand behind Kari's ear, then, he flicked it with his finger. (Don't ya just hate it when people do that !!!) Kari fought back by poking Tai in the side, causing to tickle him. (Like they would do to Pilsburry Doughboy). Despite this minor battle, this was all in fun.

At that moment, a car had pulled in. " Well, it looks like Dad's homeâ€¦ So now Mom don't got no reason to keep us outside " Tai suggested. " Yeahâ€¦ We'd better goâ€¦ It's getting late anyway... " Kari continued. " Waitâ€¦ hold on nowâ€¦ There's still 2 minutes left for April Fool'sâ€¦ Wanna sit it outâ€¦ " Tai stated. Kari hugged her brother and said " Taiâ€¦ You're the best ". " And your da bomb " Tai continued.

They both walked off back to their apartment, Tai's arm extended around his sister's shoulder as Kari did the same for her brother. " Will you look at thatâ€¦ it's mid-night !!! " Tai exclaimed as he memorised his watch. " Well I'll beâ€¦ Another April Fool's has gone byâ€¦ Alreadyâ€¦ That was fastâ€¦ " She said with a friendly grin. Tai smiled. " But really Tai " Kari continued " What were you doing under there with Sora when Garudamon shealed you guys â€¦ You knowâ€¦ You were attacked by Mammothmonâ€¦ Remember ". Tai hesitated at the question. " Where did you hear that from !?!?!? " Tai asked as a deep blush broke out in his face. " I know my way around you knowâ€¦ Just because I wasn't there at first, doesn't mean I have to be excluded from your experiences " Tai snickered and scruffed up

Kari's hair. " I'll tell youâ€¦ Maybe when you're a little olderâ€¦ " he said. " Awww, come on !!!! " Kari added, yet knowing not even she could make him tell.

And that ends this year's April Fool's, Yupâ€¦ The time of the year that they try to rip each others throats out ^_^ â€¦ All in all, They had a good laugh after they came in, went to bed and dreamed about their Digi-buddy's and wondered what next years addition of April Fool's would bring â€¦

_ ~*^^*~ The End ~*^^*~_

A/N *: Now that wasn't so bad, now was itâ€¦ One of the main reason's I wrote this fic (Other than being just plain bored ^_^) was that I noticed that Tai and Kari never seemed to argueâ€¦ Not on the show, nor the ficsâ€¦ So I thought that I had the opportunity to do soâ€¦ And Pleaseâ€¦ I beg of youâ€¦ Don't count on my spelling at allâ€¦ I know it's horribleâ€¦ But I go to french school, so It's really hard to maintain proper english spellingâ€¦ As I was saying, don't judge my spellingâ€¦ Judge the fic it-selfâ€¦

All in All, tell me what you thinkâ€¦ Did I make you laughâ€¦ Did I make you smileâ€¦ Did I scare you with the Spice Girls songs * LOL *â€¦ Read and Reviewâ€¦ And tell me if you want me to keep writing (Other fics, that isâ€¦ I'm not likely to make a sequel to this oneâ€¦ But if you really liked itâ€¦ You never know ^_^)

That's all for nowâ€¦ G.I.Josee :)
